- A hike among lovely scenery around Mendenhall Glacier
- Your guide -- an Alaskan State Certified Interpretive Guide
- Views of Mendenhall Glacier and the Southeast Alaska rain forest

About the Excursion

Put on your hiking boots and fill your lungs with fresh air as you experience a **day of world-class hiking**. With more miles of trails than roads, Juneau is the place for an adventurous day hike. Your small group (limited to 12 people per guide) is led by a certified interpretive guide, who chooses the trail to best suit the group's ability and the day's hiking conditions.

Hike in the **Mendenhall Glacier National Recreation Area** on a secluded trail with several glacier views. Witness cascading waterfalls, serene meadows, and quiet forest glens -- just a few of the treasured places that can be reached only on foot. Your experienced guide will provide you with stories and insights on the **Tongass National Forest** -- the world's largest remaining temperate rain forest -- its fascinating wildlife, glacially carved landscapes and lush foliage. A variety of animal species inhabit this place and your guide will help you keep a lookout for any sign along the trail, perhaps you will discover a shy porcupine or pause to listen to the call of an Arctic tern.

Expect a refreshing outing at a moderate pace with many opportunities for photography and lasting memories of Alaska.

Notes:

The small group size of this tour ensures a personalized and interactive atmosphere. Wildlife sightings are likely but are not guaranteed. Participants must be in good health and able to cover variable terrain. You will hike between 4 to 6 miles, with an elevation gain of 600 to 1,000 feet. A rain poncho, hip pack, walking stick, bottled water, and granola bar snack are provided. Wear sturdy shoes suitable for hiking and dress warmly in layers as the tour operates in all weather conditions. All tour participants on this excursion are eligible to enter to win cash prizes in the tour operator's Capture Juneau Photo Contest. Waiver must be signed and medical conditions disclosed.

A GUIDED WALK INTO VICTORIA

Duration 2 HOURS

Departure Times 6:30 PM

Adult \$39.95

Top 3 Reasons To Book

- Ocean Drive, Beacon Hill Park, James Bay, the Inner Harbour
- Exploring Victoria and taking in the fresh coastal air
- Your guide sharing the history of this beautiful city

About the Excursion

Few cities are more spectacularly suited to a walking tour than Victoria. Whether your passion is for the outdoors, history, beautiful scenery or horticulture, there is something here for you.

Start out right from the cruise ship terminal and walk with your guide on a journey of discovery through one of the oldest residential neighborhoods in Western Canada. The streets are lined with period houses and you will hear captivating stories of the people and events that shaped this charming town. The crown jewel is beautiful Beacon Hill Park, complete with manicured flower beds, towering trees (keep an eye out for nesting eagles and herons), and perhaps the occasional ghost or restless spirit.

Reaching downtown Victoria, you will encounter a vibrant city with an English Old Town atmosphere. Your guide will introduce to you two very famous buildings -- the magnificent BC Legislature building, and the world-famous Empress Hotel. A great deal of history surrounds both these famous landmarks, and some of the stories are right out of the 'truth is stranger than fiction' department.

Your tour ends on the lawns of the Empress Hotel. Guests who wish to stay in town to shop or explore independently are welcome to do so, and can return to the ship via the complimentary shuttle service.

Notes:

The walk is about two hours -- wear comfortable walking shoes; bring bottled water. Restroom facilities en route are very limited. Bring your sense of humor to best enjoy this lively and entertaining outing.
